

## Sandwich, Massachusetts Best Selling Day Trip ~ Sample Itinerary

Welcome to Cape Cod! If you're travelling along Route 3 just an hour south of Boston, Sandwich is the first town you enter after crossing the Cape Cod Canal via the Sagamore Bridge. From Providence, also an hour away, you'll take I-195 to Route 25 and then follow the Cape Cod Canal to the Sagamore Bridge for your gateway to Sandwich and 'the Cape.'

Sandwich is the oldest town on Cape Cod, incorporated in 1639. This quintessential New England town with historic and seaside charm has a village lined with antique homes and the Dexter Gristmill which overlooks picturesque Shawmee Pond. Nearby are coastal marshes, beaches, and museums worth exploring. Nature, heritage, and a community by the sea – Sandwich offers many options to 'build' an enjoyable day.

### 12:00 pm Board motorcoach for the 5 minute drive to the Main Street village area of Sandwich

Pass by the Dexter Gristmill and Shawmee Pond. See the beautiful First Church of Christ in the center of town with its Christopher Wren-inspired steeple – does it look familiar? This church adorns the cover of Elvis Presley's 1967 Grammy winning album *How Great Thou Art*.

**12:15 pm Grand Buffet Luncheon at the award-winning Dan'l Webster Inn.**

The centerpiece of the village, the inn on this site has offered Cape Cod lodging in one form or another for more than 300 years – as a parsonage and also a tavern that became Patriot headquarters during the Revolution. Its most notable visitor was Daniel Webster, a Boston lawyer and prominent figure in his day, who served several terms as a US Senator.

Today groups enjoy the inn's fine dining, and the charming gift shop is always a hit as well. Optional

**Cabaret Entertainment** is also available during lunch and dinner at an additional cost.
